MEMO

To: Customers of *Status*[™] COVID-19/Flu test kit
Re: Expiration dating

Dear Valued Customer,

The shelf life of the *Status*[™] COVID-19/Flu A&B test kit ("Product") was initially established as 6 months due to the rapid and recent development of the Product and according to regulatory requirements. PBM has continued to conduct real-time stability testing to extend the expiration date. The Product in your possession may now have an expiration date that is later than the labeled date.

The affected Product lot numbers, originally labeled expiration date, and updated expiration date are listed below. These Products were originally labeled with a 6-month expiration date. All Products now have a 12-month expiration date. Please retain this memo with your Product records.

Lot Number	Printed Expiration Date	12-month Expiration Date
881B11	2021-08-31	2022-02-28
881B21	2021-08-31	2022-02-28

As additional data become available, we expect to communicate future improvements to you in additional memos.

We are pleased to communicate this improvement in the utility of the Product and look forward to assisting you further. Please contact us if you have any questions regarding this memo. E-mail: techservice@pbmc.com

Sincerely,

Young-A Kim, Ph.D.
